Subject: Request for Quick Discussion- 179B Demo

Hi Chris,

Do you have some time on Friday (after 10AM) or Tuesday, Sept. 5 for a quick call regarding 179B? I was hoping you could explain your concerns regarding legal defensibility to our attorney, Mike Boydston. I want to be sure we fully understand the Division's perspective on how the court may interpret 179B if an approved Colorado 179B demo is litigated. This way we can offer you the most helpful advice (timing for submittal, submission options, deadlines for action, etc.) in moving forward with attainment demonstration action.

Thank you.
